VOL. LII. UPLAND, CALIFORNIA, FRIDAY, OCTOBER 25, 1946. NO. 51

Chest Committee Starts House Calls Friday

A "kick-off" breakfast will be held Friday, November 1, for all captains and board members of the Upland Community Chest and U.S.O., according to an announcement made today.

The breakfast will be served at 7:30 a.m. at the Sugar Bowl. It will initiate the solicitation campaign of house-to-house calls to be made under the supervision of Oris Heinauer. Approximately 15 captains and 12 board members will be invited to the breakfast.

The Chest and U.S.O. drive to raise $4900 got under way in Upland this week with letters being mailed to all house-holders in Upland, asking for voluntary checks to be sent to the treasurer, James Fero, at the Bank of America.

An attempt was made to reach every home, Mrs. Velda Wiley, Chest secretary stated, but undoubtedly some homes were missed in the mailing. Therefore, any person who did not receive a letter is asked to bring or mail his contribution to the treasurer.

Voluntary mail response so far indicates that Upland will again make its quota and more, Chest Chairman Howard Mason believes. To save time of solicitors, residents are urged to send contributions by mail. Persons who do not mail contributions will be solicited.

The drive this year concentrates on local needs, a total of 84 per cent remaining in the community to support four agencies — Girl Scouts, Boy Scouts, Sick Baby Fund, and dental or other health work to be carried on by the Junior Welfare League. The other 16 per cent is designated for U.S.O.

Board members, in addition to Mr. Mason, Mrs. Wiley, Mr. Heinauer and Mr. Fero, include E. H. Gibson, Frank Davis, Mrs. Earl Johnson, Mrs. David Seares, Mrs. C. K. Valiton, E. E. Hawthorne, Mrs. Warren Wass and Mrs. Douglas Black.

Mr. Heinauer made an appeal today for any volunteer workers who can assist with the house-to-house solicitation to get in touch with him.

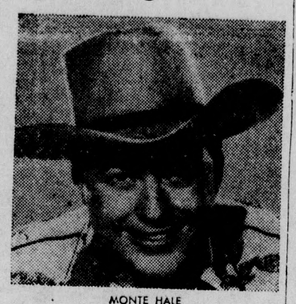

Taxi Stand To Be Built Here

A quonset hut will be converted into a taxi stand across from the Pacific Electric station, according to a building permit issued today.

Mrs. Katio Puehler is the owner of the property and the Star Taxi, the occupants. A temporary approval of the site on which the converted quonset hut will be placed has been given. The Steel Building company, Redlands, is the contractor and the Great Lakes Steel corporation, the engineer.

A building permit was also issued yesterday to F. J. Eckhart, 769 East Seventh street, for a new roof over his porch. Cost is expected to run to $50.

Coming Here

MONTE HALE

A treat for the kids will be the appearance of Monte Hale, cowboy star, at the Hallowe'en party which will be held at Chaffey on October 31.

Committee To Study Water Problem Here

Keeping pace with the rapid growth of the community, the Upland city council today placed two of its members on a water and sewage committee to "study the development and conservation of water for local users."

Councilmen James Goodban and John Meek were the two appointed on the committee by Mayor Eugene G. Nisbet.

Councilmen pointed out that with the increase in subdivisions and more and more new homes going up on the west and east portions of the city, it was imperative that some action be taken to provide sufficient water for present as well as future residents of the city.

It was also brought out that present facilities for water would not be sufficient for the expected growth of Upland. A study by the committee now is believed to be essential to the future orderly expansion of the city and in its homes.

No action will be taken by the council until a report is made by the committee. It is believed possible, however, that additional wells may have to be dug on the east and west sides of the city to take care of the increasing population.

Sea Scout Troop To Be Organized Here

Sponsored by the Upland Lions club, a Sea Scout ship will be organized at the fire hall next Tuesday night, according to an announcement today by E. Tweed Stone.

Boys, 15 years or over, interested in joining are asked to be present at the meeting which begins at 7 o'clock. This will be strictly an Upland ship and all boys interested in the sea are asked to attend.

INJURES HAND

Jack Sapienza, 44, 515 Etiwanda avenue, Etiwanda, has been treated at San Antonio community hospital for a hand contusion received when his car struck a pole. He was dismissed after examination.

Freight Cars Go Modern As First Model Shown

New freight cars are going modern.

Not only in appearance but also in utility, according to Santa Fe car No. 13,000 which was displayed here today and which was the subject at a meeting of nearly 100 persons at noon today.

With the Santa Fe and the Consolidated Steel corporation as hosts, managers of citrus packing houses, grape shippers and other leaders in the local agricultural industry united at the Sycamore Inn for dinner and to hear a brief discussion by Rockwell Hereford, representing the steel corporation. Arthur B. Coakley, Santa Fe trainmaster, presided at the meeting.

The stainless steel, 40-ton freight car was on the siding at the Santa Fe station for public inspection and many interested persons viewed it today. Mr. Hereford told of the minimum of 3½ inch fiber glass insulation on all sides and ends and of the effort to produce a car that would serve the fresh fruit shippers as well as the frozen food shippers. The distinctive appearing, rust-resistant car weighs 57,200 pounds.

Summarizing the improvements, Mr. Hereford said these are the things noticed first about the new product; different in appearance, big six-foot sliding doors, louvers over each door, new type of ice bunkers, extension fan to connect with pre-coolers and thermometers for reading temperatures at the top and the bottom of the car.

Selection Made At Art Exhibit

Selection of five paintings, one of which will take the $750 award in the purchase-prize exhibit of the Chaffey commnuity art exhibit, has been made.

The final votes on the canvases by members of the organization will be cast at the end of next week and the award will be made at the close of the exhibit, November 3.

The paintings chosen and the artists are "Girl With Fruit," Boris Deutsch, "Pensive Girl" Loli Vann, "Roof Tops — Twilight," Oscar Van Young, "Spring in Kaleidoscope," A. S. Weiner, and "The Quarters," Henry Lee McFee.

The display, presented in the Women's gymnasium, has been open to the public during this week and will be open until Sunday, November 3. Gallery talks will be given by Miss Janet Benton, Sunday, 3 p.m.; Charles B. Lawler, Wednesday, 7:30 p.m.; and David Scott, Scripps college faculty member, November 3, the closing date, 3 p.m.

Foothill Dramatic Group Divided Into Two Parts

The Foothill Drama association was divided into two "workshop" groups at a meeting held at the Pomona High school Tuesday night.

Until work on a full length play is started after the first of the year, one group will meet in Ontario and the other in Pomona, each of them working on a one act play.

Francis Wilson and Mrs. Harold Batchelor, 405 Sixth street, Ontario, were chosen co-chairmen for Chaffey district while Bonnie Hall and Earl Ronney head the Pomona division.

Both divisions of the Foothill Drama association will meet again next Tuesday night, with the Ontario group meeting at the home of Mrs. Batchelor and the Pomonans at the Pomona High school.

"Curse You, Jack Dalton," a one-act melodrama, has been selected by the Pomona group as its first workshop play, with the Ontario division still undecided as to the play they are going to present.

Each group will select directors in the near future.

Ministerial Union Reports on Classes

Enrollment figures of the Released-Time school of religious education sponsored by the Upland Ministerial union show that about 180 students in the first six grades are participating in the program of moral and religious instruction.

Twins Born Here 24 Hours Apart; Both Doing Well

Twin calves are not unusual at the Kough dairy, West Arrow highway, but when twins arrive 24 hours apart, that's something.

That happened this week.

The first calf arrived Monday evening. The next day it was sold by Merl D. Kough, proprietor.

As is customary, the newly freshened cow was immediately put on the regular milking schedule.

Along came Tuesday night and another calf.

Likewise, the second calf was sold by the efficient dairy owner who wastes no time in managing his herd.

The cow, with no name "just good grade guernsey," is with the regular herd, producing a big quantity of rich milk. And Mr. Kough is not expecting to find any more calves from her right now.

"We have twins every now and then in the herd," he said, but they have never come like this before."

City Puts In New Ditch

The city has already acted on the complaints of Ninth street residents and placed a ditch on Arrow highway to direct the water into the wash, City Manager R. G. Manley reported to the city council this morning.

At its regular meeting last week, the council received a petition from eight property owners asking that some disposition be made of the fact that during the recent storm that water came into many of their homes. The area is bounded on the north by the Southern Pacific tracks, on the south by East Ninth street, on the west by Eleventh avenue and on the east by the wash.

Mr. Manley told the councilmen that the ditch which has been put on the north side of Arrow highway will divert the water from any future storm into the wash. He reported that the residents who petitioned for some action last week are satisfied with this arrangement.

Auto Hit by Cars On Both Sides; One Drives Away

Driving north on Second avenue yesterday afternoon, J. L. McCorkindale, 1630 North Grove avenue, Ontario, was struck by two cars, one from each side of the street.

Mr. McCorkindale told police that the driver who struck him from the right didn't stop after the accident but continued on his way. The other driver, whose name Mr. McCorkindale did not get, stopped and an agreement was reached between the two drivers.

According to police reports, the accident occurred 200 feet north of C street on Second just as Mr. McCorkindale was approaching the P.E. tracks. The car hitting him from the right backed out from the east side of the street and hit the right fender. By the time Mr. McCorkindale could get out out of his car the other car was gone.

Legion Drive For Members Gets Under Way

With the appointment of seven team captains at its special meeting Wednesday night, American Legion, Post 73 of Upland, has moved into action to sign up for Legion membership as many veterans as possible in this area.

More than 200 veterans of both wars are now members of the local post and Legion officers, the majority of whom are World War II men, are seeking to unite veterans into one organization to protect veterans and their rights.

Named team captains Wednesday night by Stephen C. Kalagian, first vice-commander and membership chairman, were the following:

Glenn Goforth, Odis Baker, Don Shilling, Olin Collier, Harry Plum, Ray Davis and I. J. Linkey.

The above named captains have selected their own teams and have already started to make personal calls on Legion members who are now delinquent in their dues.

Sunday morning team captains will meet at an informal breakfast at the Legion club house to make their reports and then receive instructions on the drive to sign up new members. Every effort is being made to enroll as many in the Legion as possible before Armistice Day. The drive, however, will continue throughout the year.

Initiation of new members will be held at the regular Legion meeting to be held at the I.O.O.F. hall next Wednesday night. All veterans who have recently joined the Legion and have not been formally inducted into membership are required to be present at the meeting Wednesday.

Hold Meeting Of Librarians

Mrs. Alta Lawyer, Alta Loma, Mrs. Ned Taylor, Camp Baldy, Mrs. Glenn Clark, Cucamonga, and Mrs. Alice Hippard, Etiwanda, branch librarians of the San Bernardino county free library from this district, have been invited to attend the third annual custodians' meeting.

The Young Woman's Christian association building in San Bernardino will be the scene of the meeting held on October 31.

Miss Helen Luce, county librarian, who will preside at morning, luncheon and afternoon sessions, points out that this is the first session of the group in 18 months and a number of new problems will be discussed.

The morning session will include a discussion of library work with young people, conducted by Miss Elizabeth Elliott of the Los Angeles county library.

Mrs. Afton Nance, rural supervisor of Riverside county, will be the luncheon speaker on the subject of inter-cultural relations in this area. In the afternoon, Miss Gladys Worsham from Pasadena will speak on library exhibits.

City To Require Bond, Cash To Approve Subdivisions

KNIGHT VISITS UPLAND IN CAMPAIGN

Judge Goodwin J. Knight, candidate for lieutenant governor, is shown here with his family. Mr. and Mrs. Knight are in the back row, with the two daughters, Carolyn, 13, and Marilyn, 19, in the front row. Judge Knight has been judge of the superior court, Los Angeles county, for the past 10 years.

James Roosevelt To Visit Upland Next Friday in Swing Into County

A visitor to Upland next Friday afternoon, November 1, will be James Roosevelt, chairman of the state democratic central committee.

According to Ray Bush, county coordinator for the democratic central committee, Mr. Roosevelt will arrive here at 2:30 p.m. and visit with city officials and other interested parties on the steps of the city hall.

Accompanying the eldest son of the late president will be Edmond G. Erown, candidate for attorney general, and Harry R. Sheppard, congressman from the 21st district.

Mr. Roosevelt will stay in Upland until 3:00 p.m. and then leave for a swing through the valley making stops at Fontana, Colton and in the evening will be the principal speaker at a rally in San Bernardino. Before coming to Upland he will be honored guest at a luncheon in the American Legion club house at noon and a reception following the luncheon.

This will mark Mr. Roosevelt's first trip to San Bernardino county during this campaign.

Start Campaign For Membership

Plans for membership drive which will be climaxed by a dinner on December 16 were made Monday at the regular meeting of the Alta Loma community club.

Three teams will compete in the two month campaign with the two losing teams sponsoring the dinner for the month of December. The three teams will be led by Francis Wilson, Charles Lannon and Gordon Billings.

In order that Alta Loma be represented in the National Orange Show at San Bernardino this season, the club appointed three men, Howard Kilmurray, George Smith and Arthur Allen, to take charge of the exhibit planning.

Harry Merritt will head the committee planning the Christmas decorations, which includes street lighting and a community Christmas tree to be placed in the fire hall. Assisting him will be Ned Thudium, Charles Lannon, Herbert Blake and Arthur Relph.

G. L. Harp and R. C. Dickenson, navy recruiters, were speakers of the evening, and brought with them a motion picture, "The Fleet That Came to Stay."

"Ladies Night" is the designation given the next regularly scheduled meeting of the club, November 18, when the group will meet for dinner at Guasti Inn.

Complete Work On Valley Boulevard February—Sullivan

Even though Ontarians might not be able to get new cars, they will at least have a new highway to drive the old one on, come February.

According to E. Q. Sullivan, director of the county office of the state division of highways, the work on the portion of Valley boulevard between Colton and Ontario will be completed in February.

Work still to be done includes the completion of oil shoulders, and several bridges and cluverts.

The stretch of Highway 60 between Mira Loma and Riverside will be open for travel in about a month, while the continuation of the highway through Ontario to Pomona is being delayed during the vacating of houses along the right-of-way.

Complete Cost Of Development To Be Covered

The Upland city council at a special meeting this morning voted to require all subdividers in the future to place bond or cash equal to the cost of developing the subdivision before any approval of plans would be made.

This action was taken by the councilmen in order to make certain that sidewalks, sewers and other items required by the city for all subdivisions are carried out.

Although this requirement goes into effect immediately for future subdividers, it is not believed that it will affect subdivisions already approved by the council.

Sales Tax

The question of whether certain businesses in the city are required to pay the city sales tax was referred to City Manager R. G. Manley for further study. The council instructed Mr. Manley to check with other cities in California to see what general policy seems to be prevalent.

It had been brought to the attention of councilment that some business men like plumbers and beauty operators actually had no articles to sell and they wondered whether they would be required to pay the city sales tax. However, a plumber, for example, buys plumbing equipment on which he pays a state tax and some of the councilmen indicated that he ought to pay a city tax as well.

Sixth Avenue

The widening of Sixth avenue was discussed as a future possibility by the council but no definite action was taken.

The subdivision by Long brothers on Arrow highway and F street, between Fifth and Sixth avenues, was approved. There are a total of 18 lots in the subdivision.

New, Shiny Garbage Truck Goes Into Service Today

A brand new garbage truck began its rounds today.

In making this announcement Marvin Francisco, street foreman, said that the "maiden voyage" was made early this morning, with Amos Wenger as the driver and Romon Mesa as helper.

What the use of the new vehicle will mean to the average householder Mr. Francisco did not say. But it is believed that everybody will be happy about the fact that their garbage will be carted away in a new, shiny truck.

Postoffice Has Always Taken Lead In Latest Means of Transportation

Since June 14, 1910, when mention was first made in congress of having air mail service, the use of air transportation has grown until today there are 75,745 route miles of domestic air mail service, Orton P. Brady, Upland postmaster, disclosed today in an interview.

Only seven years after Orville and Wilbur Wright had made their flights of 120 and 825 feet, respectively, the postoffice started looking into the possibility of operating air mail routes, Postmaster Brady said, in pointing to the fact that the post office department has always taken the leadership in transportation.

"The postoffice has always been a pioneer in transportation," the Upland postmaster declared. "The foot carrier, the riders of the post roads, the stage coach, the pony express, the steamboat, the iron horse, the automobile, the airplane, the autogiro, the pickup air service and recently experimental service by helicopters show how the postoffice tries to use every method for expediting communications between sender and addressee."

With air mail postage now reduced to five cents, Postmaster Brady urged everyone to use air mail during National Air Mail week which is now in effect and continues until November 2. The rate for air mail has been reduced in the belief that with the reduction more people would send their letters by air, he added.

A year after congress talked about an investigation "To determine the practicability and cost of an aeroplane or airship mail route," the first regular air mail service was started between Mineola, N. Y., postoffice and the flying field. On September 26, 1911, Postmaster General Hitchcock flew with Captain Paul Beck and dropped the pouch at Mineola.

When congress finally made $50,000 available for an experimental air mail service, there were no bidders. But two years later, 1918, the first air mail route in the United States was established between New York and Washington and developed rapidly from then on. On September 8, 1920, the last leg of the transcontinental route was completed and on the following month the first foreign air mail service between Seattle and Victoria, B. C.—74 miles, was established.

Upland Draft Board Sent 2700 To Military Forces

Closing of the selective service office here brings to an end a war-time activity that began October 16, 1940. Almost to the day six years after the first registration of youths, the local selective service board was consolidated with other boards in the county seat.

Along with Edgar C. Pierce, secretary of the local board, all the records of the 6,700 local registrants, are in room No. 5 at 490 Court street, San Bernardino. The local office was vacated this week and six boards are now being served at the one location. In preparation for the battles that eventually came, local youths registered for military duty in the first nation-wide sign up on Oct. 16, 1940. The local selective service board came into being at that time.

Robert M. Willson, Victorville, is the only one on that original board who is still a member of the three-man board. Francis Rogers is chairman and Ray R. Sherwood, both of Upland, are the other members.

Twenty-seven hundred men were sent into the armed forces through the local board during the war-time calls for additional forces. From time to time registrations were held. The information given by each registrant was closely checked and men were selected by the board to fill the various quotas established by the state's selective service organization.

Total of 6,700 active registrants were listed with the local board. At one time the men in the 45-65 year age group were required to register and 3,000 such men were in this group locally. This figure, however, is not included in the 6,700 total of men who might have been called for combat service, according to Mr. Pierce.

Even with the selective service office closed here, 18 year old boys are required to register. Arrangements have been made for these boys to register at the Chaffey high school office when they become 18 years of age.

Judge and Mrs. Jacobs Back From Trip North

Judge and Mrs. Fred H. Jacobs returned last night from a motor trip that took them as far north as Portland. Following the annual convention of the Justice and Constable association of California at Santa Monica, the local couple motored north and along the Redwood highway to Grants Pass and on to Portland, Ore. They visited friends at various points in Oregon, including the Hjalmar Andersons at Junction City.

Judge and Mrs. Jacobs returned through Klamath Falls, Oregon, and saw much of the fall beauty of the northern state.

District Governor Sees Ideal of Service as Hope for World Peace

"It would be much better to arm one million men with the (Rotary) ideal of service than to arm 10 or 11 million of our young men with ammunition and guns every so often to straigten things out."

With these words, Cecil C. Crew, Rotary district governor of the 108th district, speaking before the Upland Rotary club Wednesday noon, struck the keynote of an address aimed to encourage Rotarians to take better advantage of opportunities for community and national service.

Mr. Crew, of Fullerton, who made his annual visit to the local organization, said that there were nearly 5,900 Rotary clubs in 73 countries with nearly 300,00 members.

Challenge

"That represents a challenge to the rest of the people in the world and an opportunity to do something about bringing understanding between men and nations," he declared.

Striking for the "service above self" ideal of Rotary, Mr. Crew said that carrying of that ideal to the conference tables of the world would acomplish more than aparently has been done so far.

"Let's not forget what Rotary means. Let's be more serious about it sometimes," the district governor declared.

High Standards

The practice of high ethical standards in business by every Rotarian and better relationship between employer and employe was stressed by Mr. Crew.

"Today, when black markets are so prevalent," he declared, "our practice and exemplification of Rotary ideals should help that fellow down the street in doing what's right."

Defining Rotary as "the making of more acquaintances and the builder of better man," the Rotary official said that every Rotarian should ask himself four questions before undertaking anything.

Gives Ideals

(1) Is it the truth? (2) Is it fair to all concerned? (3) Will it build goodwill for the business and community? (4) Will it be profitable to all concerned?

Since 97 out of every 100 people do nothing more than pay taxes in a community, it is up to Rotarians to take the leadership in civic affairs, particularly as counselors and advisors to youth, he said.

"We should provide counsel and advice to the boys and girls to help them be the kind of citizens we would like to have when they take our places in the community, he said.

Bob Henderson, president of the Upland club, introduced Mr. Crew.

A FINE TRIBUTE FOR A JOB WELL DONE!

VETERANS' MEMORIAL BUILDING

Main Memorial Building To Serve All

The Veterans Memorial and Community Center which will be voted upon at a special bond election to be held November 19, is planned to be one of the most beautiful buildings in Southern California.

A committee headed by Edgar C. Pierce has been working on plans and proposals for this project for many months and the city employed Roy A. Kazebier, Ontario architect, to draw up the plans.

Specifications

Looking at the main building from the front, it will be 252 feet, including the wing which will be used as meeting rooms both by veterans and other civic groups. The depth of the building is planned at 202 feet. The auditorium itself will be 84x119, with the stage being 29x60.

The auditorium will have reinforced concrete walls and footings, structural steel roof trusses and roof framing, terra cotta Spanish tile roofing laid over two-inch sheathing. Maple flooring will be used in auditorium and stage areas, terazzo flooring in the foyer, asphalt tile floor in offices and club rooms, tile or terrazzo in washing room and tile wainscot in main floor corridors.

Memorial To Be For Community

The meeting rooms for civic groups will be 24x28 and 24x27 and the doors between the two rooms can be opened to combine the two rooms into one large room. The rooms for the auxiliary are the same size and with the same adaptability to becoming one large room. The room for veterans will be larger than the other rooms, running to 40x60. An identical duplication of the above rooms will be formed in the basement which includes the heating plant and the janitor's room.

Included also in the main building are kitchen facilities so that dinners and banquets can be held. A porch and patio are planned for the Veterans' Memorial building.

Treatment

According to the report and the plans submitted by Mr. Kazebier, all ornamentation will be principally in the main entrance, with other wall surfaces and secondary entrances to be treated simply. Steel sash is to be used throughout, and some ornamental iron work. Doors will be all metal.

Girl Scouts and Boy Scouts

Will have very suitable and complete buildings if the Bond Issue is approved Nov. 19.

Remember Saturday is the last day of our Fall Festival Sale.

MARGARET L. YANCEY

Betty Anne Horsch Betrothal Revealed During Dinner Party

Mr. and Mrs. L. J. Horsch, Ontario, formerly of Upland, are announcing the engagement of their daughter, Betty Anne, to Howard W. Lees, Jr., son of Mr. and Mrs. Joe Lees, Wilmerding, Pennsylvania.

The formal announcement was made at a dinner given in Pittsburg, with Mr. Lees' parents and three brothers and their families present. The couple plan to be married in the spring in California.

The bride-elect is a graduate of Chaffey college and was president of the Associated Women students during one term. She was graduated from the University of Redlands in 1944, a member of the Alpha Sigma Phi sorority. Following graduation, she was employed by the San Bernardino county welfare department as a public assistance worker for one a half years. She has been living in New York City since July, 1946, employed by Rinehart and Co., publishers.

Mr. Lees was attending Carnegie Tech. in Pittsburg before induction into the army and is now finishing his training in mechancial drafting and designing there. While in the army, Mr. Lees was stationed at Camp Haan, Riverside.

Masonic Hall Doors Open for Auxiliary Card Party Tonight

Tonight at 8 o'clock the doors of the Masonic hall will open to the public for the card party being sponsored by the La Estrella auxiliary, Order of the Eastern Star.

Those attending will compete for prizes in games of their choice, with door prizes being awarded in addition to the game prizes. Admission will be charged.

The work of committee members, the Mesdames John Scott, Thomas Settle, Sam Lamb, Harry Snowden, E. T. Crooke, Marland Sefton, and Miss Mina Ruesink, will be directed by Mrs. W. J. Ritchea.

* * *

It's a boy for Mr. and Mrs. Goodwin Larson, Ontario, born early Wednesday morning.

Community Welcomed To Open House, Musical Program, at Upland Woman's Club

Members of the community who attended the open house held Tuesday evening by the Upland Woman's club heard a musical program from Eugene Dorian and saw a skit presented by members of the Upland Parent-Teachers association.

The evening opened with a flag salute and the singing of the national anthem, led by Mrs. Marion Maxwell and Mrs. Vernon V. Paine.

Mrs. W. R. Farmer, this year's president, extended a welcome to those present after which Harold Cook, superintendent of Upland schools, gave a short address on proposition No. 3 on the November ballot.

The two musicians, Eugene Dorian, baritone, and Adolph Heller, accompanist, were introduced by Mrs. J. Emery Sargent, program chairman. Their selections were "Calm as the Night," Prologue from Pagliacci, "The Lord's Prayer," "Homing," "When I Took Upon the Maiden," "Short'nin' Bred," "One Alone," "You Are Loved," "Old Man River," and a "Fox Hunt" set to music.

A melodrama, "How Does Your Garden Grow?", written by Miss Esther Ziegler, sixth grade teacher at the Upland Elementary school, was then presented by members of the Upland P.-T.A., the purpose being to introduce the teachers to those assembled.

While the narration was read by Mrs. Earl Wenger, Mrs. Bill Smith pantomimed the part of the heroine, Mrs. Poli Sanchez, the villian, Mrs. Maxwell, the hero, Mrs. Howard Hastings, Mrs. Mark Bradburn and Mrs. Ernest Camfield, the three sunbeams, and the Misses Ziegler and Charlene Owen, the two pickets. The teachers took the part of "flowers" in the heroine's garden.

Refreshments were served from a lace-covered table decorated with candelabra and cream roses. Miss Jessie Brown and Mrs. Harold Cook poured. Chairman for October club activities is Mrs. Henry M. Busch, and co-chairman, Mrs. Stanley H. Swayne.

CUCAMONGA COMMUNITY CHURCH SCENE OF HALL-BARNES WEDDING

On Sunday the Cucamonga Community church was the scene of the wedding of Grace Hall, daughter of Mr. and Mrs. Ernest P. Hall, 783 Amethyst avenue, Alta Loma, and Lester Barnes, son of Mrs. E. May Sshweitert, 2017 South Euclid avenue, Ontario.

Rev. Arthur Schuck, pastor, performed the ceremony in the presence of 175 wedding guests. Two baskets of white gladioli and fern were used for the decorations in combination with candles.

Musical selection chosen by the couple, played by Verne Van Antwerp and sung by Mrs. Harold Hamner was "Always." The organist also played the traditional wedding marches.

The bride was given in the double-ring ceremony by her father. A white satin entrain styled with a sweetheart neckline was worn with a floor - length veil held by a crown of seed pearls. She also wore a necklace of pearls. An orchid centered in bouvardia formed the bridal bouquet.

The bride's sister, Miss Winifred Hall, attended her as maid of honor and was gowned a aqua chiffon. She carried pale pink roses.

The two bridesmaids, the Misses Ethel Minor and Betty McCandless, Bellflower, wore similar gowns of yellow and pink, repectively. Miss Minor carried Talisman roses, while Miss McCandless' flowers were deep pink roses.

Diminutive Linda Lee Noel, Alta Loma, served as flower girl attired in a gown of pink net.

Charles Barnes attended his brother as best man and as assisted by ushers Stewart Poling, Alta Loma, and R. E. Wulfberg, Long Beach.

Both wearing rose corsages, the bride's mother received guests in a gown of teal blue crepe, while the groom's mother wore black crepe. Scene of the reception following the ceremony was the Alta Loma fire hall.

After the couple cut the first piece from the wedding cake, Mrs. Marion Pierce took over with serving duties. She was assisted by Mrs. William Helmick, Bellflower, cousin of the bride, and Mrs. William Wedgewood, who served punch from a table decorated with white flowers and candles.

In charge of the guest book was Miss Margaret Minor.

Following a week-long honeymoon trip to Laguna Beach, the young couple will make their home at 2017 South Euclid.

Both attended Chaffey high school and college. The bridegroom served in the army air corps and is now employed at the Pacific Overseas Airlines.

Club Notices

PAN-HELLENIC SOCIETY

Chaffey district, Pan-Hellenic society has called a meeting for tomorrow, October 26. The group will meet at the home of Mrs. Edna Brown, 1423 North Euclid avenue.

DAR LUNCHEON

Members of the Daughters of American Revolution will meet at the home of Mrs. Edna Brown, 1423 North Euclid avenue, Monday at 12:30 for a luncheon. Mrs. Ernest O. Lee is guest speaker. Reservations should be made through Miss Anna Hamilton today and those needing transportation are asked to call Mrs. T. Melvin Lee, regent.

REBEKAH LODGE

Husbands of the members of the Silver Link Rebekah lodge will be special guests at a pot-luck dinner Friday night, 6:30 o'clock, in the Odd Fellows hall. Mrs. E. Hays M'Gaha is in charge of dining room arrangements. A regular session will follow at 8 o'clock.

Union Meets for Silver Tea, Hears Mrs. Eva Wheeler

With Mrs. Eva G. Wheeler, newly-elected Southern California president of the Woman's Christian Temperance Union, as special speaker, members of the local W.C.T.U. met Wednesday afternoon at the Methodist church for a silver tea.

Although no subject was announced for Mrs. Wheeler's talk, she stated that if she were going to take a text, she would chose "Love Your Neighbor." Her talk concerned the Central American state, Nicaragua.

Mrs. Lewis Johnson, co-pastor of the Upland Foursquare church, led the prayers.

A musical program consisted of accordian selection by Bill Haldeman and vocal numbers by the King's Daughters, a trio of women from Beulah college, the Misses Ardys Charles, Maurine Speer, and Ruth Heisey. Their presentations were "O Love Divine," and "Make the World Better Each Day."

* * *

Chaffey Wives Don Old Clothes, Masks, For Hallowe'en Party

Dressed in their oldest clothes and wearing masks, members of the Chaffey Wives group with their husbands as special guests will meet tonight at 8 o'clock at the community house, Los Olivos.

The occasion being a Hallowe'en celebration, traditional Hallowe'en games will be played with dancing rounding out the evening's program.

Mrs. Thomas Doan, as social chairman for the group, will head the committee in charge of refreshments.

* * *

Upland Teachers Hold First Social Meet Of School Season

Teachers in the Upland schools met last night in the Upland Elementary school cafeteria for an informal evening, their first social event of the year.

Following the serving of a dessert course, those present participated in group singing. Facilities for playing bridge and dancing were provided.

Committee in charge of the social consisted of Mrs. Blanche Thorton, Sierra Vista school, Miss Isabel Walker, 18th street school, and Mrs. Opal Hawes and Miss Gladys Claypool for the Upland school.

MEMBERSHIP IN B. & P. W. CLUB TOTALS 70; BOARD VOTES 14 NEW MEMBERS

Membership in the Upland Business and Professional Women's club hit a new high when 14 new members were voted into the club at the executive board meeting, held in the Public Library last evening.

The new members will be introduced and their names made public at the next regular meeting of the club which will take place on November 14. Total membership in the club now stands at 70, an increase of 23 over the close of the last fiscal year. Members of the board expressed pleasure at the fine work being done by the membership chairman, Mrs. Henry Dybsand, and her committee.

Miss Ethel Jean Wilson and Miss Ada Cooper gave short reports of the Southern District Conference, held at Mission Inn, Riverside, last week-end and at the request of Mrs. Evelyn Loch, president, they will give their reports again at the general meeting in November for the benefit of the entire membership.

Routine business constituted the remainder of the session which was attended by: Mrs. Evelyn Loch, Mrs. Freddy Kushin, Miss Harriet Wolfgram, Miss Ada Cooper, Mrs. Clara Jacobs, Miss Ethel Jean Wilson, Mrs. E. Tweed Stone, Mrs. Paul Hottel, Mrs. Wiliam A. Gilliland, Mrs. Henry Dybsand, Mrs. F. H. Manker and Mrs. Douglas Black.

Mrs. James L. Martinez will serve as chairman of the November 14 meeting which will be held at the Woman's club house, the dinner being served at 6:45 p.m. Theme for the evening's program will be "Peace is Our Business." Mrs. Martinez will be assisted by Mrs. Dolores Bennett and Mrs. Thomas J. Sisto.

* * *

President Entertains Legion Auxiliary Heads With Luncheon

As president of the 25th American Legion auxiliary, Mrs. W. J. Larkin, 344 Sixth avenue, invited the president of each unit in her district to an informal luncheon at her home Tuesday afternoon.

Bowls of red roses and white chrysanthemums graced the room and the luncheon table.

Following the luncheon an informal discussion was held concerning the projects of the various units and problems concerning the organization.

Present were Mrs. Sam R. Menard, district secretary, Mrs. Ethel Marsh, past department president, and the following unit presidents: Mrs. A. L. Virgo, Victorville, Mrs. Bernice Albert, Redlands, Mrs. Claudine Scott, San Bernardino, Mrs. Florence Burrows, Rialto.

Mrs. Edith Davidson, Fontana, Mrs. Ann Baisden, Yucaipa, Mrs. Ruth Knickerbocker, Lake Arrowhead, Mrs. Edna Crawford, Highland, Mrs. Harley Smith, Ontario, and Mrs. Ella Rarick, Upland. Special guest was Mrs. Cecil Moore, Arrowhead.

* * *

RED, WHITE AND BLUE

Because of the elections held on that day, the Red, White and Blue club will not meet on November 5. They will, however, meet on November 12 for a contributed dinner in Memorial hall. Sons of Union veterans will be their guests on that day.

* * *

Wednesday guests of Mr. and Mrs. Harry Stauffer were Mrs. Barney Hohler, Mrs. Arthur Cosner and Mrs. Benjamin Ogle, Los Angeles, and Mr. and Mrs. Burt Martin, Ontario.

DAV Invites Public To Benefit Party

A benefit party, the proceeds of which are to be contributed to the Cancer fund, is being planned by the Daughters of Union Veterans for next Tuesday evening.

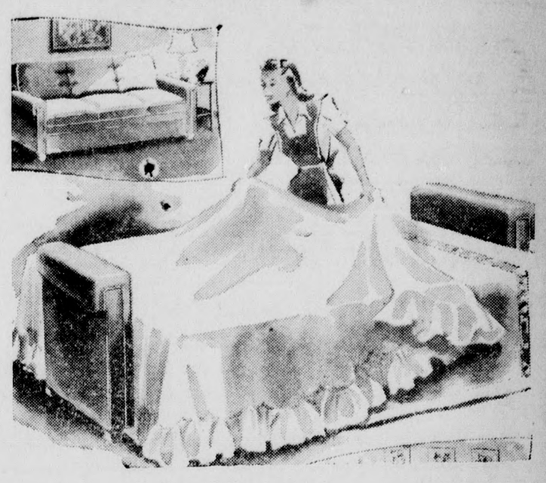

The choice of playing various games will be given to those attending with prizes being offered. A door prize will also be awarded. Tickets for the event will be on sale at the door.

Committee in charge of arrangements is Mrs. Nathan Cohn, chairman, Mrs. P. H. Colling and Mrs. Thomas Evans.

Entered as Second Class Mail Matter at Upland, California

The Time To Give Is Now; Support Community Chest—

It should be an easy campaign for Uplanders—this request of the Upland Community Chest and the USO for $4900.

Widely recognized as very, very worthy organizations are the Girl Scouts and the Boy Scouts. A little money is required to maintain these groups and to provide supervision. While many scores of men and women give generously of their time, administrative personnel are necessary. But the cost is small; the benefits enormous.

The Upland Junior Welfare league conducts an active program of helping others and this worthy local organization will receive a small share of the funds.

Only non-local organization sharing in the funds is the U. S. O., and the proceeds will be for the benefit of our men in uniform.

The time to give is now.

Euclid Avenue Extension Could Be Objective of Proposed Organization—

Leaders in the community should give serious consideration to R. Fred Price's suggestion for the formation of an Euclid avenue improvement association. While public officials in Upland and Ontario have done a very fine job of maintaining the famous avenue's beauty, the immediate need now is for completion of the thoroughfare to the Santa Ana river.

The men in public office, such as Congressman Sheppard, have done nothing about getting the Euclid avenue route re-located since building of the Prado dam. Apparently, the responsibility for getting something done rests with people in this area. The county board of supervisors has a contract with the federal government and that contract might mean something more if the supervisors acted.

In any event, the Euclid avenue extension is unfinished. And that is of concern to people in the Upland district as well as all residents for many miles around.

We Want Fair Employment Practices But No. 11 Does Not Provide That—

No one should be deceived into believing that Proposition No. 11 on the Nov. 5 ballot would insure fair employment or fair practices. A perfect illustration of an attempt to write into law a superficially meritorious but inherently wicked scheme is the No. 11 measure entitled "Fair Employment Practices Act".

Its enactment would work a hardship on employes and employers alike---as far as fairness is concerned. It says in effect to an employer: You are forbidden, in hiring an employe, to ask any question, even orally, concerning his race, color, creed or national origin. If you do you are subject to fine and imprisonment. It would promote race prejudice rather than reduce it. It would strike a powerful blow at basic American rights.

Thus, it would make a long step forward in the Communist conspiracy to finish off the American system and establish a totalitarian regime.

And who would decide the right or wrong of any grievance? A commission—and there would be no redress if the employer appealed. With autocratic power, the commission could determine the fate of any employer, who for example, declined to hire a colored tongue-tied salesman when he wanted a polished, easy-talking representative. Thinking citizens will look behind the facade and vote "No" on Proposition No. 11 when they go to the polls Nov. 5.

This Life We Live

By JAMES V. LATIMER

There are many things in life that are really worth living for, and many happy experiences that add zest to life. If and when a man begins to ask whether there is really any value in life, I know he has begun to dig his own grave. It may be that he is dying only spiritually or mentally, but he is on the way. Think then of the better things of life, such as freedom, liberty, sane leisure, the opportunity for advancement, and other such things.

Let us suppose we had been born under the cast system of India, and had as a father a man who had been a street sweeper. Then for us it would be street sweeping all our days, and for our sons and the coming generations. Or the daily task might have been more lowly than that of sweeping the streets. We would then be fixed in that occupation, with no hope of change. We here are not so, but we can make advancement, and we do not fear change.

We here enjoy the good will of the land and the help of its people. They enjoy our progress and our reach for the top. Even a poor boy may become his nation's ambassador and may represent his nation in foreign capitals. He may become an industrial leader, a writer of note or even a preacher in a commanding pulpit, stirring up the minds and hearts of his congregation. It is fine that we do not need concern ourselves about background. We give our attention only to progress and direction. I knew a hod-carrier who wrote verse, and whose poems were eagerly awaited, then read with a degree of real appreciation. His occupation did not limit his possibilities.

It may not be complimentary to ask a man what he is living for, but it is a real compliment to ask him the course of his progress and of the ideals that have led him on. Back of every worthy endeavor lies the desire to be of help to our fellow men. One may be a teacher, physician, nurse, housewife, or historian and refuse to think of these occupations as being the source of money or other gain. These all are good, but they could be made unworthy. Aim for the best. Listen to King Solomon and the wisdom of the ages:

"These six things doth the Lord hate, yea, seven are an abomination to him." Listen, men!

1. A proud look;
2. A lying tongue;
3. Hands that shed innocent blood;
4. A heart that deviseth wicked imaginations;
5. Feet that are swift in running to mischief;
6. A false witness; and,
7. He that soweth discord among brethren.

Possibly we ought to read The Proverbs more closely and more often.

Despite the increase of farm prices in the past few years, agriculture, as an industry, is still out of balance when compared with the income that other activities receive.

STATEMENT BY
GOV. EARL WARREN

"I appointed Senator William F. Knowland to succeed the late Senator Hiram Johnson because I believed in his integrity and capability. My belief in Senator Knowland has been strengthened by his fearless and intelligent record in the Senate."

Rivals To Play Game In San Bernardino

A keen rivalry between the two schools will be the feature of the game between the San Bernardino Cardinals and the Colton Yellowjackets at the Orange Show stadium in San Bernardino tonight at 8 o'clock.

Although Colton pulled an upset last week in holding Chaffey to a 6-6 tie and the Cardinals were walloped by Pomona, 20-6, a slight edge remained in favor for the Cardinals.

Both teams have outstanding backfield men from last year. Guy Visbal, C.B.L. fullback, will be at fullback for San Bernardino while Colton has Bill Abernathie, C.B.L. quarterback and this year a fullback and Dave Swing at quarterback.

Gives Support to Proposition No. 3

The Fifth District Parent-Teachers association at its October meeting held in Upland went on record favoring an affirmative vote for Proposition No. 3.

Declaring that it will "reaffirm and actively support" the measure, the P.-T.A. also warned voters to be on guard against Proposition No. 13 which seeks to nullify the benefits of Proposition No. 3.

Proposition No. 3 calls for a constitutional amendment providing for a minimum salary of $2400 for all full-time public school teachers and for state support of public education on the basis of $120 per pupil from kindergarten through junior college

Chaffey Panthers In Good Shape For El Centro Game Tomorrow Night

The Upland News
SPORTS
The Upland News, Friday, October 25, 1946.—Page Five

Sport Slants

BY STEVE KALAGIAN

Until they were held to a 6-6 deadlock by the Colton Yellowjackets, the Chaffey Tigers were being drummed up as the favorites for the C.B.L. and numerous other championships. Now, having held a strong Fullerton eleven to a tie and disposed of San Bernardino the Panthers are in the same danger.

Fortunately, the talk about the Panthers copping the Orange Empire conference hasn't reached the proportion that it did for the high school team. A few mention it here and there but those with more sober outlooks realize that it is going to take a lot more than the college team has shown thus far to get anywhere with Santa Ana next week.

In the meantime, however, Chaffey college faces a team in El Centro Saturday night that could quite conceivably put an end to any championship talk before it gets a very good start. Although the Panthers are slight favorites, it is well to remember that we don't know too much about El Centro down here and it would be a good idea not to expect too much from Coach Rosso's boys.

The Panthers were lucky to come back and tie Fullerton as they did and if San Bernardino hadn't had "fumbilitice" last week the score may have been slightly different. As it turned out, the breaks were lucky for Chaffey in both games and that's a good deal for any coach who is trying to build up a first class team under the uncertain conditions of a post-war era.

The breaks, however, can't go on in favor of the Panthers forever. From now on in they are going to have to play heads up ball and they are going to have to do better blocking and tackling. Unless they do, they're due for a fall. If El Centro doesn't have the stuff to do it with tomorrow night, you can be sure that Santa Ana has.

The athletic department at Chaffey deserves more than bouquet of roses for conceiving and arranging the benefit game between the Panthers and the UCLA junior varsity. This is only one example of the fine work that Athletic Director Harvey Shirk and Coaches Truck Lindsey and Ray Rosso are doing in their first year here. They are getting the support of all the communities and they very definitely are earning every bit of it.

SHORT SLANTS — Let's hope that the Panthers get by El Centro without too many injuries. The Santa Ana game next week is going to take all that the boys have to give . . . Tickets should be on sale for the Chaffey UCLA game pretty soon . . . Since all the proceeds will go for an electric scoreboard, there will no doubt be a capacity crowd at the game . . . Incidentally, the Panthers play the junior varsity team from Westwood not the first team as some people have been thinking . . . With all these changes on the Tiger varsity, the game with Redlands this afternoon no doubt will prove to be more interesting to a lot of people.

Lineup

Starting lineup as released by Coach Rosso follows:

L.E.—Nixon
L.T.—Cable
L.G.—Miller
C.—Gilbert
R. G.—Peel
R.T.—Jones
R.E.—Sachs
Q.B.—Hauser
L.H.—Papac
R.H.—Bryant
F.B.—Hardy

See Close Game With Chaffey Slight Favorites

The Chaffey Panthers, tapering off with a light workout this afternoon, with the exception of one injury will be in full strength tomorrow night when they clash with El Centro at Graber field at 8 p.m.

Although the visitors have lost three games this season, Coach Ray Rosso expects his team to have a fight on their hands if they are going to come out of the battle with another victory.

"El Centro is not as big as we are but they're an opportune ball club," Coach Rosso declared. "They have one fellow in the backfield, I understand, who does lots of passing and flashy running."

Strong Team

Not much is known about El Centro except the fact that they lost to the Santa Ana Dons 19-6. The Dons have walloped other teams, among them Santa Monica and Glendale, by a lot bigger scores.

Halfback Smith, who has a broken leg, will not be able to play tomorrow night, Coach Rosso said. He is expected to be out at least three weeks.

Several changes in the starting lineup have been made by Coach Rosso for the El Centro game. Clyde Cable, of Upland, will be in the left tackle spot instead of Boling. Cable played an outstanding game against San Bernardino when he was in, recovering an Indian fumble which may have ended a possible San Bernardino threat.

Some Changes

Gilbert will be at center instead of Woodward and Peel at right guard instead of Nelson. Another change from the lineup that started against San Bernardino will be Bob Hardy at fullback instead of Mike Carew.

Coach Rosso made it clear, however, that in spite of these changes he intends to use as many players as possible. Since El Centro is a non-conference game, the Panther coach will bprobably try to conserve as much of his strength as possible for the Santa Ana game the following week.

The Panthers were not making the mistake of underestimating their opponents and the general feeling is that this game, like the others is going to be a tough one to win.

Zale and Graziano are matched for return bout on March 21.

Upland Romps Over Chaffey

The Upland Junior high school football team made it five straight wins Wednesday afternoon as they whitewashed the Chaffey Frosh, 12-0.

This is the second victory hung up by the Uplanders over Chaffey this season and maintains their clean slate of never having lost a game so far this season.

Upland scored its first touchdown in the first quarter when on a single reverse Jack Roper went nearly 20 yards over the goal. The second score was made in the third period when Fred Christensen on a fake reverse scampered 30 yards. One attempt at conversion was blocked and the other failed to clear the uprights.

Coach Clyde Frisholz used his entire 25-man squad in the game, keeping them all in trim for the game against Emerson Junior high in Pomona on October 31. Emerson is reported to have a strong team this year and the Uplanders will have to play bang-up ball to extend their winning streak.

The line played a good game Wednesday with Portillo, tackle, and Kough, end, being the standouts. Ammannitc, guard, recovered a fumble for the Upland eleven, stopping a possible Chaffey scoring threat.

Starting lineup for Upland had Kough and Luna, ends; Portillo and Hamilton, tackles; Ammannito and Morrow, guards; Thomasen, center, and Valadez, Melendrez, Christensen and Roper, backs.

Snepo Picks

Chaffey over El Centro (The Panthers have been improving and we are hoping they will continue to so so.)

Fullerton over San Berdoo Hornets got lot of power.)

Citrus Belt

Chaffey over Redlands (The Tigers are mad and should be if they aren't.)

Pomona over Riverside (Only an upset can stop Pomona.)

San Bernardino over Colton (This is going to be rough but the Cardinals seems to have the edge.)

Other Games

UCLA over Santa Clara (Boys from Westwood are too good.)

Stanford over USC (The Indians still look better.)

Cubs Wallop Redlands, 24-7

Coach Karl Kaiser's "Kubs" hung up their second C.B.L. victory, with a resounding 24 to 7 win over the Redlands "Pups," on the losers field yesterday afternoon.

Chaffey's Cubs, and being Cubs only in years and certainly not in size, scored in every quarter, with Austin scoring twice to share the touchdown parade with Milch. Austin ran over for the first tally and scored again in the second half, after receiving a lateral from End Noble.

Milch, after a sustained drive in the third quarter, ran the ball over for the No. 3 touchdown. Just to make things even safer for Chaffey, Milch intercepted a pass in the fourth quarter, racing 90 yards for the last Chaffey score. All conversion attempts failed.

With about two minutes remaining in the first half, Redlands completed a pass over the Cubs defensive man to score.

Coach Kaiser started the same lineup he used against Colton in the league opener. Kaiser stated he expected plenty of trouble when Chaffey meets Riverside, as Riverside swamped Redlands 35 to 6, and his Cubs would have to be at their best to hold them when the two teams meet on Graber field next Thursday.

Hoyos Out As Tigers Clash With Terriers

Interest was high this afternoon as the Chaffey Tigers, with their revamped lineup took the field against the Redlands Terriers at the Chaffey stadium.

A blow to Coach Truck Lindsey and to any hopes of an easy victory for Chaffey was the fact that Simon Hoyos was unable to start at the fullback spot to which he had been shifted from quarterback. A sprained ankle received at practice Tuesday failed to respond treatment and Hoyos had to watch the game from the sidelines.

As the Tigers went after the Terriers in search of their first C.B.L. victory, John Whitham was calling the signals, Cookie Orsburn was at full and Jim Hayes and Ferraro at halfback spots.

In the line Acosta and Beck started at ends; Hubble center; Parnell and Koeßer, tackles, and Mueller and Mathis, guards.

Chaffey, stung by its 6-6 tie with Colton, was being picked to bounce back today and as a result ruled slight favorites over the Redlands Terriers.

My hat's off...
to my customers who have been so swell about waiting for the tire that...
OUTWEARS PREWAR TIRES

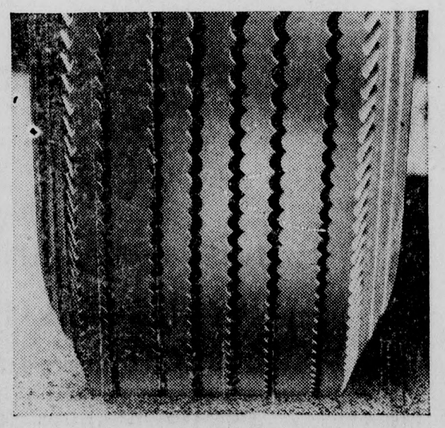

FOR EXTRA SAFETY AND EXTRA MILEAGE THE NEW
B. F. Goodrich Silvertown
IS WORTH THE WAIT

The new Silvertown tires have been setting records for long mileage, safety and economy not only on taxi fleets, police cars and special test cars but in regular car owner use.

These new tires are built with a broader, flatter tread that puts more rubber in contact with the road, spreading the wear over a larger area. To hold this heavier tread, B.F.Goodrich engineers developed a 35% stronger cord body with stronger cords and more of them... This meant better bruise resistance, greater safety.

If you want the tire that OUTWEARS PREWAR TIRES, place your order *today*. A little wait will be rewarded with today's biggest money's worth in tires.

There's no getting away from it! When you have a good thing—word gets around—and FAST! And from our view, it seems everyone is demanding the tire that OUTWEARS PREWAR TIRES.

San Antonio Heights News

BY RILLA STICKNEY
Phone 317-291
Special News Correspondent

Mr. and Mrs. Welch, of Bellflower, are planning to move into their new home soon on Euclid Crescent East just north of the home of Mrs. A. N. Baker.

Harold Duncan, son of Mr. and Mrs. William Duncan, Euclid avenue and Twenty-fourth street, who is fireman first class aboard the Shangra La, has arrived in Bremerton, Washington. He expects to have a 27 day leave soon and visit his parents.

Mrs. E. F. Anderson, sister of Mrs. Harold Stickney, is spending a few days at the Stickney home. Mrs. Anderson resides in Redlands.

Fidelis Class Hears Mrs. Lily Hawkinson

Fidelis class of the Upland Methodist church met in the church parlor Tuesday evening to hear Mrs. Lily Hawkinson tell of her travels through Central America taken during the summer months.

Mrs. J. A. Betz led the devotionals and Mrs. Samuel Hughes gave a prayer, after which Mrs. L. E. Griffith, president, held a short business meeting.

Refreshments were served by a committee consisting of Mrs. H. B. Engle, Mrs. J. C. Tracy, Mrs. D. C. Anderson and Miss Florence Mehl.

Present were the Mesdames Hughes, Griffith, H. L. McLellan, John Bice, Betz, Cecil Chambers, William Campbell, Merl Kough, Ralph Marr, Howard Hill, Frances Cathcart, Clara R. Jacobs, T. E. Craig, and Miss Lois Juckett.

Guests were Mrs. Edna Dahms, Mrs. E. A. Cooley, Mrs. H. M. Thompson, Mrs. Charles Hays and the guest speaker.

Reveal Plans for Hallowe'en Party

Executive board and the carnival committee of the Alta Loma Parent-Teachers association are making final preparations for the annual Hallowe'en carnival and dinner to be held at the school October 30, the proceeds of which will be used in the youth welfare activities of the group.

Mrs. Harry Lombardo and Mrs. Lee Salazar are in charge of a Spanish dinner to be served at 6:30 p.m.

Following the meal a costume parade will be held, with prizes going to the participants most appropriately dressed. A comedy and newsreel will also be shown. At 8 p.m. the group will move to the school basement to see a magician's show and play various games.

Don Beards Announce January Wedding For Miss Betty Beard

The engagement of Miss Betty Beard to Robert D. McFarlane was made recently by her parents, Mr. and Mrs. E. Don Beard, 175 West Foothill boulevard. Mr. McFarlane is the son of Mrs. Corda Reynolds, Ontario.

A graduate of Chaffey high school, Miss Beard attended Throne business college in Pomona. Her fiance also attended Chaffey, graduating with the class of '42. Since his discharge in February from the navy, he has been employed by the Pacific Overseas Airlines.

The couple plan their wedding for January.

* * *

Mrs. Nellie Deeds, sister of Mrs. G. B. West, 621 North Euclid avenue, has now been released from a Burbank hospital after spending several days there for treatment of pnuemonia fever. At present she is staying with her daughter, Mrs. George Maury, in Hollywood, but expects to return to her sister's home within a week or 10 days.

Jack Roen, son of Mr. and Mrs. O. S. Roen, 610 North Plum avenue, Ontario, is visiting his parents preparatory to going to an army specialist school in New York. Jack is a member of the paratroopers.

Friends of Mrs. Rudolph Puehler will be glad to hear that she has returned from a five-week trip to Lakeside, Michigan, and is now at her home at 1948 North Euclid avenue.

• MONEY TO LOAN

MR. CITRUS GROWER
These facts should interest you:
1. If you have a 5% or 6% loan on your orchard you can save money by refinancing with an EQUITABLE farm loan.
2. An EQUITABLE 4%, 20-year farm loan will increase your security with lower payments when you need them.
3. You can repay the loan as rapidly as you wish from farm income without penalty and save interest when crop returns are good.
4. You will NOT have to pay any commission, nor any application or appraisal fees, nor buy any life insurance or stock.
5. The only cost of the loan is proving ownership of your security—usually less than $100 for a $10,000 loan.
6. Now is the time to consolidate and refinance existing high cost loans with an Equitable Life Assurance Society 4% farm loan.

Legal Notices

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS OF UPLAND LEMON GROWERS ASSOCIATION

NOTICE IS HEREBY GIVEN that in conformity with the By-Laws of the Corporation, the regular annual meeting of the Stockholders of the Upland Lemon Growers Association will be held at Upland Elementary School auditorium, which is located on Fifth Avenue just north of Arrow Highway (Tenth Street), in the City of Upland, County of San Bernardino, State of California, on Thursday, November 7, 1946, at the hour of 1:30 P. M., of said day, for the purpose of electing Directors of said corporation for the ensuing year, and for the transaction of such other business as may properly come before the meeting.
UPLAND LEMON GROWERS ASSOCIATION
J. J. LEMAN, Secretary
51-1

NOTICE OF INTENTION TO SELL

NOTICE IS HEREBY GIVEN pursuant to the provisions of Section 3440 of the Civil Code of the State of California, that Lois J. Clark and Fred L. Curtis, Vendors, of 505 East 11th street, Upland, California, intend to sell to Lee R. Benson and Dollie G. Benson, Vendees, of 505 East 11th Street, Upland, California, all that certain personal property consisting generally of all stock in trade, fixtures, equipment and good will of a certain Restaurant business known as Del's Cafe in the City of Upland and located at 505 East 11th Street, Upland, California; and that the purchase price thereof will be paid at 10 o'clock a.m. on the 6th day of November, 1946, at the First National Bank of Upland, in the City of Upland, County of San Bernardino, State of California.
Dated October 21, 1946.

Lions Get Glimpse of New Guinea Natives Living in "Stone Age" Fashion

In a "Hidden Valley" on the island of New Guinea are people still living in the "stone age," their civilization 15,000 years behind that of the modern age, according to Homer Davis, Chaffey professor, who spoke at the meeting of the Upland Lions club in the Upland Woman's club house at noon yesterday.

It was his privilege to drop into that valley for a surprise visit while serving with the armed forces. He was greeted by fierce looking, painted-face, black natives, startled by the sudden arrival of the airplane and the strange looking white men.

Mr. Davis, a public speaking instructor, told in an interesting and effective manner, his impressions of his first glimpse at the natives and of their reaction in apparently seeing for the first time this man and machine from a different world. Brought along in the airplane were a jeep, a bicycle and a moving picture projector. Mr. Davis startled the natives when he rode the bicycle but he eventually befriended a chieftain and his wives by letting him try to ride it.

In due time the American and the ntives became a little acquainted but a western movie film was flashed on the screen and that nearly disrupted the relations and caused a near-riot.

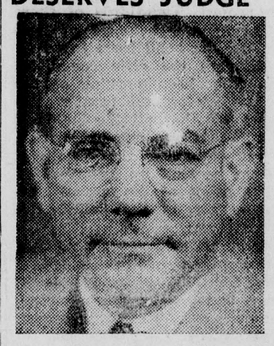

The speaker expressed the belief that many other native tribes are living in the South Pacific area without ever knowing of the outside world, existing just as humans did thousands of years ago.

Melvin Shimmin, program chairman, introduced Mr. Davis.

George Whitney, a new member of the club, gave a "birthday talk," reciting his early activities as a student in the local schools and as a student in Europe.

President Henry M. Busch was in charge of the meeting.

WEST END DESERVES JUDGE

"No one section of this county should monopolize or attempt to dominate the public service.

"We speak in behalf of proper representation of the West End of this county in the public service . . .

"There must be unity in a county with such diverse interests as San Bernardino County.

"Deny any important section of this county proper representation and discord could develop that would be a serious faction in the years ahead.

* * *

"San Bernardino City already claims considerably more than half of the county-wide offices. San Bernardino City does not represent half of the population or half of the taxable wealth of this county—far from it.

* * *

"We suggest that the voters of the rest of the county should vigorously turn back the possibility of the county seat making further inroads into sections that play such an important part in the makeup of this county.

"The county seat already holds more political power than is good for proper countywide relations.

"The communities of Ontario, Upland and Chino along with their neighbors are proud communities. They have a right to be proud. They have contributed much to the welfare and development of San Bernardino County.

"Deny them a square deal in the public service and we predict there would be trouble ahead for the unity of a great county."—San Bernardino Sun, May 22, 1946.

* * *

Two of the three judges of the Superior Court are residents of San Bernardino. This is the lion's share. The West End is certainly entitled to ONE out of the three judges.

ARCHIE D. MITCHELL is the West End candidate. He is a "natural". He was born in the West End, he was educated there, he lives there and practices law there.

He is the choice of the West End and deserves our support.

Let's be fair to the West End.

Elect MITCHELL to Office No. 3 of the Superior Court.

For Honest, Efficient Progressive Government in California

FRED HOWSER
ATTORNEY GENERAL

Hold Youths To High Court

Six of the 11 Pomona youths accused of a gang attack on two Ontario girls were held to answer to superior court yesterday noon, with five others being scheduled for preliminary hearing yesterday afternoon.

Of the six answering to high court, Jose Lopez, 17, Ruben Carrasco, 16, David Marquez, 15, and Marcelo Perez, 15, were held in jail, while Nicholas Esparza, 15, and Efren Ojeda, 17, were released under $4,000 bail.

The youths are being tried in high court at the request of various service organizations to county juvenile authorities.

Preliminary examination was made in Judge George D. Imhoff's court and Ted Krumm, deputy district attorney, prosecuted the case.

LETTERS TO EDITOR

Business on Foothill

I sincerely hope that this little message doesn't step on anyone's toes and if it should I beg your pardon now, though, I wouldn't know whose toes I might be stepping on.

I do not personally know any of the people involved in this issue of "business on Foothill". In one breath people in general complain and wonder what to do to slow the traffic down on Foothill boulevard. In the next moment I hear someone complaining about keeping the desirable and highly dignified business off of the boulevard so as not to create a bottleneck and so as not to slow down the traffic.

Ontario is talking of 100,000 population within a relative few years. It would seem to me that the businessmen of Upland might be guided by what has happened in Pomona. For years businessmen on Second street in Pomona tried to hold the business down there. But today, as we drive through Pomona on Holt avenue we find lovely eating establishments and many other types of good business along this thoroughfare. This in no way detracts from the beauty of driving through Pomona. In fact, you drive through slower because of the business along Holt and you have the opportunity to observe the schools and the churches and other attractions.

Let's not be narrow minded and realize that if we are to grow, we must expand. Certainly many desirable futu citizens and businessmen by-pass our city because they do not realize it is even there.

Memorial To Be Presented As 2 Separate Propositions

Two-Thirds Must Vote "Yes" In Order to Pass

The second and final reading of the ordinance setting the date of the bond election for the Veterans' Memorial and Community Center was passed by the Upland city council this morning.

November 19 is the date on which Upland voters will be asked to accept or reject a $480,000 bond issue for the construction of the project. Two-thirds of those voting must vote in the affirmative for the bond issue to pass.

Although the civic committee which has been working on the project for several months recommended that all the buildings be submitted as one proposition, it was discovered that legally it had to be split up into two.

The ballot at the special election, as a result will include two propositions:

Proposition 1—Municipal auditorium and rooms with facilities for holding public meetings, banquets, gatherings, conferences and for use of veterans' associations. Cost, $360,000.

Proposition 2—Swimming and wading pool and bathouse and two buildings for recreational purposes. (These are the Boy and Girl Scout buildings.) Cost, $120,000.

The polls will be open on November 19 from 7 a.m. to 7 p.m. and it will be necessary for two-thirds of those voting to favor both propositions for it to go through.

Although the project is being presented to the voters as two separate propositions, the committee today pointed out that this is being done to meet legal requirements and that actually it is all one project and should be considered as such.

Patriotic Order Holds Services For Mrs. Hilberg

Sons of Union Veterans auxiliary will conduct graveside services for Mrs. Margaret Carolyne Hilberg, 74, who passed away suddenly at her home on Wednesday.

Rev. W. H. Burton, pastor Upland Nazarene church, will officiate at services at the church, Saturday, 10:30 a.m., with interment following at Bellevue cemetery, Stone's mortuary in charge.

A 44-year resident of Upland, Mrs. Hilberg had made her home at 521 North Second avenue. She is survived by four sons, Harry J. Miller, Los Angeles, Charles B. Miller, Fullerton, Howard E. Miller, Glendale, and S. Thomas Hilberg, Placerville, one sister, Mrs. F. M. Whitefield, Lebanon, Oregon, and 10 grandchildren.

Glenn M. Atwood On Visit to Lions Clubs As District Governor

Twenty-nine Palms and Palm Springs Lions clubs were officially visited this week by Glenn M. Atwood, district Lions club governor, and Mrs. Atwood.

The were guests of the 29 Palms club Wednesday night and were at Palm Springs at noon yesterday. The Uplander, who serves the district as for south as San Diego, visits various clubs and discusses activities and community welfare.

Schedule Services For Mrs. Lively

Stone's mortuary will have charge of services on Monday, 11 a.m. for Mrs. Bertha Ann Lively, 53, 137 North Second avenue, who passed away Thursday at San Antonio community hospital following a three-week illness.

Rev. Samuel Hughes will officiate at services. Interment will be made at Forest Lawn cemetery, Glendale.

Mrs. Lively, a resident of California for 25 years, had been in Upland six months. She leaves her husband, Herbert, three sisters, Mrs. Flora Wolfe, Harrisburg, Pennsylvania, Mrs. Hulda Reed, Shady Cove, Oregon, and Mrs. Clara Quail, North Hollywood, and one brother, Edward Stier, Racine, Wisconsin.

Hold Final Rites For Wesley Reed

Final rites will be read Monday for Pearn Wesley Reed, 36, 1220 Myrtle drive, who passed away this morning after a five day illness.

Native of Berlin, North Dakota, Mr. Reed had lived in Upland five years and was employed as a crane operator for the Holliday Rock company.

Stone's mortuary will be in charge of services Monday at 2 p.m. with interment at Bellevue cemetery.

Reed is survived by his wife, Hazel, his parents, Mr. and Mrs. Elmer Lee Reed, two sons, Russell and Dennie, one sister, Mrs. Mary New, Encinitas, and three brothers, Donald, San Bernardino, Clinton, Inyokern, and Kenneth, Los Angeles.

Master Plan Gets Hearing

Seeing Ontario as a city of possibly 100,000, the master plan completed by Associated Planners last night received the first of two public hearings at the Ontario city hall.

The proposed civic center plan, highway and major street plan, a future subdivision and street improvement program and the district zoning of the city were among the items discussed at the meeting of the planning commission last night.

The city council engaged the Associated Planners nearly a year ago to prepare a master plan for the orderly development of Ontario. The work has been done under the supervision of Charles Bennett, director of planning for Los Angeles.

The master plan which cost $8,700 to prepare is scheduled for its second and final hearing on November 25.

Mayor Calls Drive Success

Mayor Eugene Nisbet announced today that Upland's participation in the County's Voluntary Health Insurance week has been termed "most successful and worthwhile by all concerned."

Executive secretary Ed Clancy of the California Committee for Voluntary Health Insurance declared in a letter to Mayor Nisbet that thousands of persons have become acquainted with the importance of voluntarily securing health and accident protection.

"Not only have these people been made to realize the definite need for a prepaid medical care plan, but they are aware of a very distinct political threat to our American free enterprise system due to attempts to foist compulsory measures upon the public," Clancy said.

"On behalf of the county medical society and all other participating organizations, I wish to thank you for your city's fine spirit of cooperation in making the event so successful."

Closing date for health week activities has been set for Nov. 16.

Roxas proposes a $150,000,000 loan fund to aid the Philippines.

Worker Injures Hand In Joiner

Paul Kampmeier, Chino, employe of John Buckwalter, was injured shortly after noon yesterday when operating a joiner at Ninth avenue and Arrow highway. His hand slipped from the board and came in contact with the revolving knives, causing multiple lacerations and a finger fracture. He was dismissed after treatment at San Antonio community hospital.

California bar refuses Negro lawyers as members.

Woman Victim Of Heart Attack

Mrs. Carolyn Hilberg, 75, 521 North Second avenue, was found dead in her home Wednesday apparently a victim of heart attack.

The last person to see her alive was Mrs. Grace Work, 533 North Second avenue, who had been visiting with Mrs. Hilberg until noon. At that time the victim complained of not feeling well and having a pain behind her neck.

Returning from a visit with another neighbor 20 minutes later, Mrs. Work called out to Mrs. Hilberg but received no answer. Entering the house she found her slumped over in the chair.

Dr. Mary McCleland, who had been treating Mrs. Hilberg, said that death was due to corona thrombosis.

PATIENTS AT MEMORIAL COMMUNITY HOSPITAL

Mrs. Guy Stevens, 618 East Ninth street, has been dismissed following minor surgery.

Mrs. Casey Amberson, 176 South First avenue, entered Tuesday for medical care.

Darlene Nichols, five-year-old daughter of I. F. Nichols, 118 San Bernardino road, Cucamonga, entered Tuesday for medical treatment.

12 PAGES TODAY SECTION 2

The Upland News.

VOL. LII. UPLAND, CALIFORNIA, FRIDAY, OCTOBER 25, 1946. NO. 51

Around Town

Coming down Euclid avenue in Ontario the other night G. R. Asper, 746 North Second avenue, beheld a strange sight. He saw a great, big black dog running as if his life depended upon it across the west side of Euclid. And behind the dog was some small object that Mr. Asper could not distinguish in the darkness.

Taking time out to look at this strange phenomena, he waited for the dog to come across the street, puzzled as to what it could be that could scare a big dog. Reaching the east side of the street, the dog, apparently regaining his courage, suddenly turned and barked ferociously at the small object behind him.

It was then that Mr. Asper finally saw what it was and moved into action. This "bugaboo" which had been such a menace to the dog proved to be nothing more than a little gopher which Mr. Asper quickly proceeded to dispose of much to the relief of the frightened dog.

With Legionnaires divided up into teams looking for new members, all you veterans better either hide your discharge buttons or just sign up amicably. This Legion post seems to mean business this time.

We want to make an apology. Quite inadvertently, we gave Dick Pehl credit for shooting a bear last Tuesday. It was actually Wes Hubbel, of Ontario, who got the bear while Dick shot a good-sized elk. (We don't mean the ones that run loose in Ontario either. Dick got his in Wyoming.)

Lot of veterans still stop us on the street and ask, "do you know where I can find a place to live?" How long this is going to go on nobody seems to know and some people don't even seem to care. Remember when we sent them away with lots of hand clasps and promises of how all the things we were going to do for them when they got back?

Herman Cordes, a great exponent of turkey shoots, will talk to you any time and anywhere on the pros and cons of the subject. Just get him started and see.

Will Install New Officers

At the annual dinner of the Upland coordinating council next Monday evening Oris F. Heinauer will be formally installed as the group's president for the coming year.

The dinner, held at the Odd Fellows hall, 6:30 p.m., will feature an address by Roy E. Baber, professor of sociology at Pomona college, and a program including boy and girl scouts.

In line with the council's program to study juvenile delinquency, Prof. Baber will discuss the parents' responsibility of adolescents.

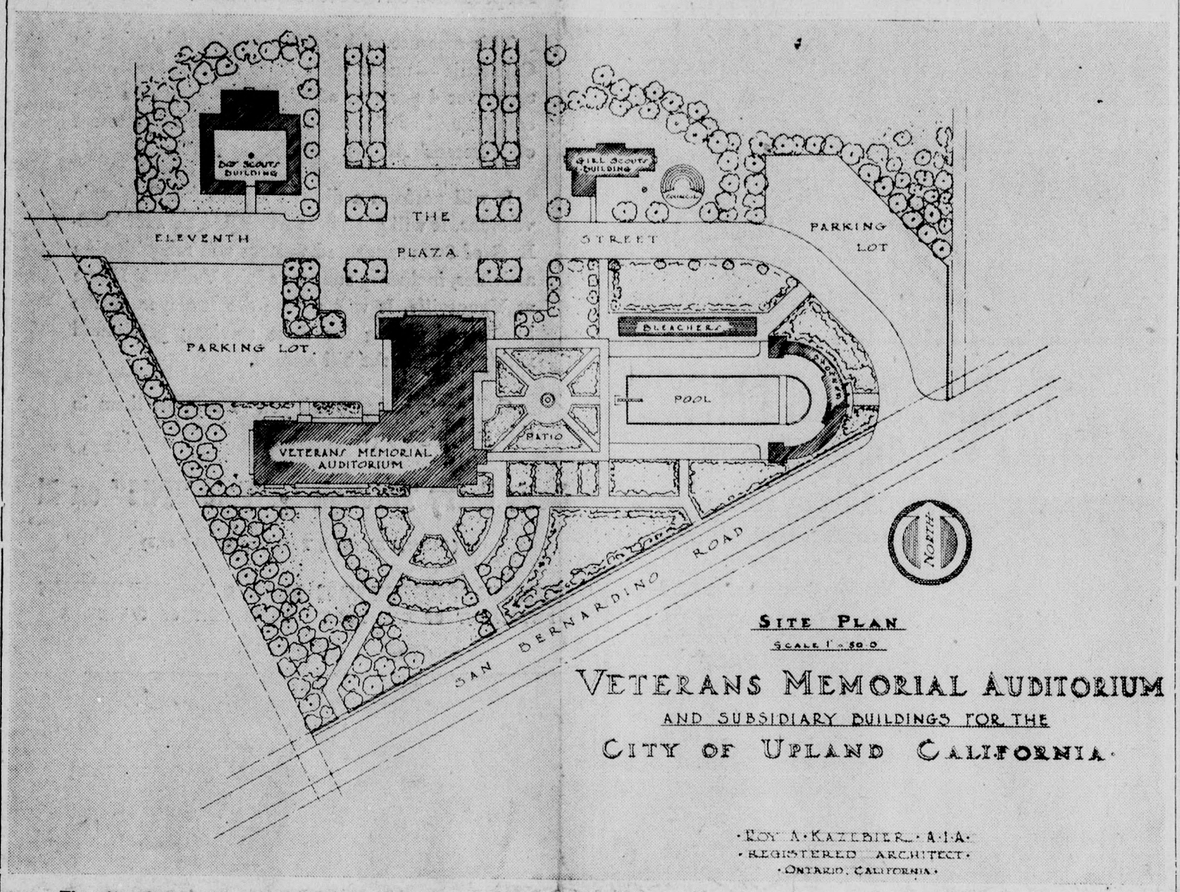

The boy scouts taking part in the evening's entertainment are to put on boxing exhibitions. Girl scouts will present several vocal numbers.

Members of the council who will take offices with Heinauer are John Baumgartner, vice-president, Mrs. Velda Wiley, secretary, Paul Ynostroza, treasurer, and Mrs. P. W. Rohrbaugh, Joe Valadez and Edgar Pierce, board members.

Typing Class for Beginners Starts

A typing class for beginners will be held by the Chaffey Adult school beginning next Monday night from 6:30-9:30 p.m., according to an announcement from Mrs. James Martinez, director. Classes will be held in room 100 of the high school.

HERE'S HOW PROPOSED VETERANS' MEMORIAL WILL LOOK

SITE PLAN
SCALE 1" = 80'-0"

VETERANS MEMORIAL AUDITORIUM
AND SUBSIDIARY BUILDINGS FOR THE
CITY OF UPLAND CALIFORNIA

ROY A. KAZEBIER - A.I.A.
REGISTERED ARCHITECT
ONTARIO, CALIFORNIA

The site plan shown above gives an idea of what the proposed Veterans' Memorial and Community Center will look like in Upland's city park. Although the main building is intended as a memorial to the men of World War II, the committee which planned the above sees it as a place where civic and service groups could hold business meetings and use it as a recreational center as well. In addition to the main building in the front, there are separate Boy and Girl Scout buildings in the back. A swimming and wading pool as well as bathhouse are also provided. A plaza, patio and parking lots are also included. A special bond election is being held on November 19 to determine if voters approve a bond issue of $480,000.

Nazarene Youth Begin Meetings

The Young People's society of the Upland Nazarene church will sponsor a series of meetings beginning Monday, October 28, and continuing each evening at 7:30 o'clock through Sunday, November 3, to which they are inviting the public.

Rev. Harold K. Sheets, Marian, Indiana, has been secured as the special speaker. He is general superintendent of the Young People's societies of the Wesleyan Methodist church and has been described as one of the outstanding youth speakers and leaders of the country. He is engaged full time in conducting youth revivals, rallies and conventions.

Superintendent Asks "Yes" Vote On Proposition 3

Speaking before the Upland Woman's club, Harold W. Cook, district school superintendent, predicted that at the present rate of increasing enrollment, Upland schools next year would have to go on a double session schedule.

Mr. Cook, in asking for an affirmative vote on Proposition No. 3, which establishes a minimum salary of $2400 for teachers, said that some measure of security must be provided if enough trained personnel are to be attracted to the teaching profession.

"The problem in Upland is very real," Mr. Cook declared, pointing to the request of 130 parents for kindergarten training for their children and with facilities available in Upland for taking care of 78 of them.

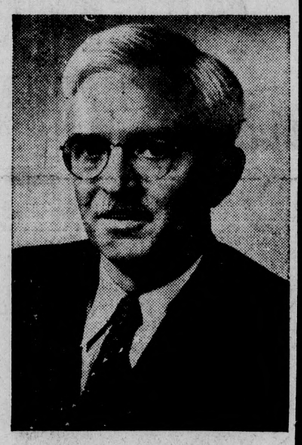

Four Sections

Upon the basis of kindergarten requests it means that next year

Churches Observe Special Events, Reformation Day

Sunday will find two of the local churches observing reformation day, one church holding services for the dedication of new hymnals and a fourth church beginning a series of sermons dealing with Christian beliefs.

Members of St. Mark's Episcopal church will meet at 11 o'clock to hear a sermon by the rector, Rev. John A. Luther, and for the dedication of new hymnals. At 6:30 p.m. the newly-formed young people's class will meet.

The protestant reformation will be observed by Bethel Congregational church, Ontario, Sunday morning, 11 o'clock. The sermon theme is "Amos: Pioneer in Social Justice," the sixth message of the series "The Bible Through Biography."

Reformation and communion Sunday will be celebrated at the First Lutheran church, Ontario, at 11 a.m. with the sermon by the pastor, Rev. Carl Pohlmann, taking the theme, "Thank God For His Blessed Word." Luther League meets Sunday evening at 7 o'clock.

At the morning service, 11 o'clock, at the Methodist church, Dr. Samuel Hughes will speak on the topic "Anchoring the Bridge of Peace." The choir will sing two special numbers.

The Men's Bible class is sponsoring the evening service, 7:30 o'clock, with the presentation of a special speaker, Dr. John L. Lawrence, North India, who will show pictures of India.

Sunday morning Rev. William A. Hulet, pastor of the First Free Methodist church, Ontario, will begin a series of sermons dealing with the beliefs of the Christian. The topics are identical with those being used throughout Los Angeles in the United Crusade for Christ. Prior to his moving to Ontario, Rev. Hulet served on the committee which proposed and planned that crusade now functioning in the majority of Los Angeles churches.

"Nothing Too Hard for God," taken from Jer. 32:17, is the topic for Rev. James S. Cook's sermon on Sunday, 11 a.m., at the Bethany Union church, San Antonio Heights. Announcement is being made by the pastor that choir practice will be held on Wednesday immediately after the prayer meeting which starts at 7 p.m.

Rev. Rufus W. Oakey, pastor of the First Presbyterian church, will take as his sermon topic "Analyzing a Pharisee." Sunday morning worship time is 11 o'clock.

The pastor of the First Church of the Nazarene, Rev. W. H. Burton, has chosen "The Heavenly Vision" as the sermon topic for Sunday morning worship period, 10:50 o'clock. A special musical number will be given by the choir under the direction of Dr. Phares Randel. The topic for the Sunday evening message, 7:30 o'clock, is "Almost a Christian." A solo will be sung by Warren Sheets.

Rev. Earl Salzman, minister of the First Mennonite church, takes "The Man With a Prejudice" as the topic for his Sunday morning sermon, 10.30 o'clock. Because of the county Christian Endeavor convention to be held at the Presbyterian church, San Bernardino, the evening service will be omitted.

As announced by the pastor, Rev. C. R. Heisey, Bishop D. R. Eyster, Thomas, Oklahoma, will take charge of morning worship service at the Brethren in Christ church, 11 o'clock. During evening services, Miss Leora Yoder, returned missionary, will speak of "Experiences With God in India."

"Probation After Death" will be the Sunday lesson-sermon subject at the Christian Science church, Ontario, 11 a.m.

Congregation of the First Christian church, Ontario, will observe Sunday with special woman's day services, conducted by members of the Women's council of the church.

Topic for the morning services at 11 o'clock has been announced by the pastor, Rev. S. Grundy Fisher, as "Our World, Our Christ and Ourselves." A movie titled "Blind Beggar of Jericho" will be shown at the evening service, 7:30, and will be accompanied by a sermon of the same title.

FOR VETERANS' WELFARE

VOTE "YES" ON PROPOSITION 2!

The Veterans of Foreign Wars and the Disabled American Veterans urge you to vote "YES" on Proposition 2 on the November ballot.

This measure will legalize greyhound racing in California — under strict State supervision — and turn over 4 per cent of all track wagers to a Veterans' Fund administered by the State Department of Veterans' Affairs.

It will perform a distinct service for California veterans. It will guarantee ADEQUATE FINANCING of State-sponsored welfare and rehabilitation activities, including support of the Veterans' Home at Yountville. It will relieve the taxpayer of the burden of paying for these services; greyhound racing will pay the bill instead.

California veterans ask you to support them in this campaign.

Let's Carry Through - Vote "YES" on 2!

(General Election, Tuesday, November 5)

VETERANS OF FOREIGN WARS DEPARTMENT OF CALIFORNIA
DISABLED AMERICAN VETERANS DEPARTMENT OF CALIFORNIA

"For Jimmie and me Vote 'Yes' on 3"

Proposition 3 will relieve the teacher famine in California by guaranteeing public school teachers a minimum salary of $2400 a year. *Local taxes will not be increased by this measure. State funds are available for this purpose.*

Two hundred California organizations, including the following, urge you to vote *"YES"* on 3—Republican and Democratic Parties, American Legion, Veterans of Foreign Wars, Disabled American Veterans, AFL, CIO, Native Daughters and Native Sons, and P-TA.

And remember—when you vote "Yes" on 3, be sure to vote "No" on 13, which would further reduce present inadequate school appropriations.

Vote "YES" on 3!

(General Election, Tuesday, November 5)

CALIFORNIA COUNCIL OF EDUCATION
DE YOUNG BUILDING, SAN FRANCISCO

The Record:

Not born out of the figment of the imagination nor of the promises of ambitious politicians, but based on facts.

A man CAN and WILL do what everyone else knows that he has already done well.

SHERIFF E. L. SHAY

A man in public office is distinguished by the amount of service he renders to the people. His record is the indicator of the way his office functions.

SHERIFF E. L. SHAY'S record is like a badge, a golden badge of honor of distinguished law enforcement in this County.

Law enforcement agencies in this and other states have lauded the way Sheriff Shay and his trained deputies have dealt with criminals and crime.

The record of the Sheriff's Office is well known to all law-abiding citizens and also to the enemies of law and order.

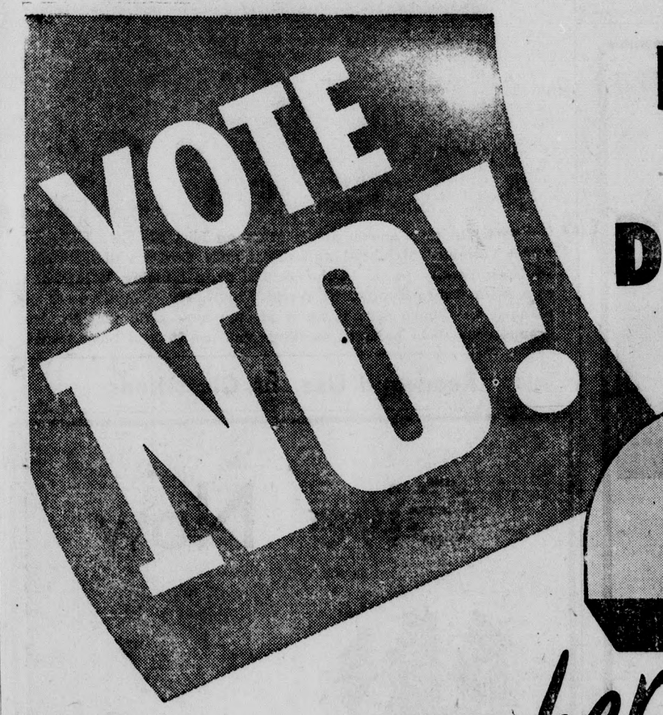

Let San Bernardino County keep in the hands of a proven law enforcement officer the workings of the Sheriffs Office.

For continued and efficient law enforcement in this successful and growing County

VOTE NOVEMBER 5
THE RIGHT WAY:

E. L. SHAY . . . . . | X

(This ad paid for by friends of SHERIFF E. L. SHAY, interested in good law enforcement in this County)

KEEP OUT THE DOG RACING RACKET!

"on number 2

DON'T BE FOOLED!

VOTE YES on #1, But—VOTE NO on #2!

Proposition No. 2 will benefit only the gamblers who are hiding behind the veterans in trying to bring dog races into California.

Your NO vote will keep a vicious gambling racket that has increased crime and juvenile delinquency wherever it got a foothold. Once in, try and get rid of it!

If you've got a family to think about, think twice and vote to keep this racket out of our State.

"VOTE NO ON NO. 2"—CALIFORNIA FARM BUREAU FEDERATION
"VOTE NO ON NO. 2"—CALIFORNIA FEDERATION OF WOMENS CLUBS
"VOTE NO ON NO. 2"—CALIFORNIA STATE CHAMBER OF COMMERCE

"NO ON 2" COMMITTEE

School Superintendent Asks For 'Yes' Vote On Proposition No. 3

(Continued from Page 1)

there will be four sections in the first grade instead of three and would mean not only another teacher but another room. One solution to the problem would be the double sessions mentioned by Mr. Cook.

"Unless No. 3 is carried in the general election, I don't know what's going to happen here in Upland," Mr. Cook declared.

He said that the maximum tax rate had already been reached and it could only be increased by the vote of the people. So, the only thing to do is to get additional revenue from the state by voting for Proposition No. 11, Mr. Cook added.

Opposite

The Upland school official warned that Proposition No. 13 on the November ballot is in direct antithesis to No. 3 and asked that voters cast a vote against it.

Because of the low salaries, only 30 per cent of the students in California colleges and universities are taking teaching courses as compared to 1940, Mr. Cook said.

Since 1940 more than one and a quarter million people have come to California, Mr. Cook said, and one million babies have been born in the state. Ten per cent of the state's population is under six years of age, he added.

Statistics show that by 1954 grades one to eight will be twice what they are today and that 40,000 more teachers will be needed which is at the rate of 5,000 a year, according to Mr. Cook.

Mr. and Mrs. Clarence B. Nott, Ontario, became the parents of a girl early Thursday morning.

Mr. and Mrs. Mariano Baltazar, Guasti, are announcing the birth of a daughter Thursday morning.

Housing Action By Legion Pleases World War Men

This is another in a series of articles on the results of the American Legion national convention held in San Francisco recently.

BY STEVE KALAGIAN

Perhaps the greatest single accomplishment of the 28th American Legion national convention, as far as many World War II veterans are concerned, was the action taken by Legion delegates in regards to housing.

A committee, consisting entirely of younger veterans, was appointed to study the housing snag in all the major cities of the country and report to the meeting of the executive committee in Indianapolis next month.

While a great number of housing resolutions had been prepared for presentation to the convention by many posts, it was no doubt the overwhelming demand by World War II Legionnaires for some sort of action that resulted in the apointment of this committee.

More Urgent

It was evident at the convention that while most of the World War I men were sympathetic to the lack of housing that faces so many veterans of the recent war, it was the constant insistance by the latter that hastened the action. This, of course, is a natural situation. The older men, for the most part, are all settled and probably have homes of their own while veterans of World War II have returned from the wars to find that there are no places for them to live. In this sense, particularly, the appointment of a national housing committee was for the most part a World War II measure.

Prior to the recent convention in San Francisco, the Legion had no standing national committee on housing. It was a matter of some irritation to World War II men when it was disclosed at one of the special cacuses at the convention that the housing resolutions had been referred to the committee on employment.

Takes Lead

Dick Vail, of Fresno, who heads the Legion housing committee is an air corps veterans of this war who definitely looms as one of the younger leaders in the veterans' organization. It was he who first took the leadership in bringing the entire matter of housing to the forefront.

What the Legion committee will recommend is difficult to say since by looking into the housing problems of many cities the members may emerge from it all with an entirely new perspective. However, it may be well to look into two of the plans now being used by veterans' groups, one here in California and the other in Louisiania. There, no doubt, are others but these are the ones which received the most attention.

In Fresno, under pressure from Legion posts, the city issues no building permits for commercial enterprises and only those with HH priorities are allowed to build at all. Vail, who explained the "Fresno plan," said that as a result of this action, not a single commercial permit was issued in Fresno during the month of September. As a result, Vail said, building of homes for vets has definitely got underway.

FORM GROUP

Presented for consideration of other posts was the "Louisiania plan." National Vice-Commander Cadawaller, a World War II vet, said that in Baton Rouge the Legion post bought a large tract of land from the city and then proceeded to form a corporation. When stock was issued, Legion members bought all that was available and construction is rapidly moving along on several low-cost homes for veterans. When these houses are completed, they will be sold to veterans for between $5,000 and $6,000. The higher priced ones will have three bedrooms and the other two.

Since the inception of the Legion housing committee, members have discovered that although California needs a lot more homes than areas in the east most of the lumber continues to remain in eastern lumber yards. It seems certain that some sort of action will be asked for by the committee on this matter when it makes its report to the executive committee in Indianapolis.

More Vigor

With the 28th American Legion national convention now history, those World War II veterans who were able to attend no doubt have gone home with a better idea of what the Legion is and how it operates. Fortified with the information, they will without doubt continually take a more active part in activities and give the Legion more vigor and an awareness of post-war problems than it has had in the past.

Report Theft In Etiwanda

Making his entrance by breaking the glass in the back door, a burglar broke into the home of Anthony De Carlo, Etiwanda avenue and Arrow highway, Etiwanda, yesterday afternoon.

The theft is believed to have occurred sometime between the hours of 2 and 5 p.m. during which time the family was away. A diamond ring and a man's wrist watch each valued at $50, $19 worth of money and 30 yards of cotton and silk print cloth were among the items taken, according to Deputy Sheriff Ernie Mehl.

The burglar after making his entrance from the rear of the house left through the front door after collecting his loot, Deputy Mehl said.

A.W.O.L.

Clint Pruitt, 823 North Fourth avenue, was arrested by Upland police Wednesday afternoon for being A.W.O.L. from his camp at Fort Lewis, Washington, for the past three weeks.

Name Harold Mackey Bank Vice-President

Harold B. Mackey, who has been with the bank for more than 21 years, has been elected vice-president of the Ontario First National bank, Oscar Arnold, president, announced Wednesday.

Promoted from assistant cashier, Mackey will have charge of the bank's loan department which is being expanded. He has been handling loans for the bank the past several years.

A MESSAGE OF INTEREST
to all who await deliveries of new Chevrolets

We want you to know that everything possible is being done to speed deliveries to you; but production still lags far behind schedule —even though Chevrolet has built more cars and trucks than any other manufacturer from January through September 1946

WE REALIZE how eagerly you are awaiting delivery of the new Chevrolet you have ordered from us, and we want to pass on to you the latest information received from the Chevrolet Motor Division, even though that information isn't too encouraging at this time.

It is true that *Chevrolet leads all other manufacturers in total production of passenger cars and trucks from January through September 1946*, despite the fact that Chevrolet was out of production entirely during the first three months of this year. It is also true that Chevrolet has continued to maintain its lead in total production during the third quarter of 1946. And yet production is still running far below desired levels, with the result that Chevrolet's output of cars and trucks through September 1946 was only 38.7% of the number produced during the corresponding period of 1941.

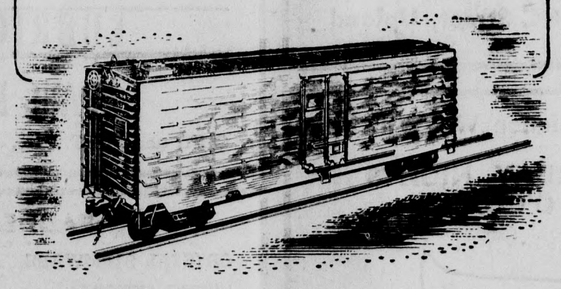

This means it may take many months for the Chevrolet Motor Division to reach peak production of new Chevrolets—even longer to fill the unprecedented demand for this product of BIG-CAR QUALITY AT LOWEST COST—and, for the present at least, "there just aren't enough Chevrolets to go around," much as we wish there were.

However, we want you to know that new Chevrolets are leaving the plants in the largest numbers possible today. The Chevrolet Motor Division tells us it is doing everything it can, in the face of continued suppliers' strikes, material shortages and manpower problems, to step up shipments to us and to all dealers, in accordance with a predetermined distribution plan assuring each dealer of his fair allotment, based on 1941 passenger car sales. And we, in turn, are doing our best to deliver new Chevrolets to our customers as rapidly as they are received and in the fairest possible way. We are too appreciative of your loyalty and goodwill—too grateful for your patience and understanding—to do anything less than continue to serve you to the very best of our ability.

SUPER CHEVROLET SERVICE
KEEP YOUR PRESENT CAR RUNNING
Meanwhile, *the most important car of all to you is the car you are driving now.* May we suggest that you keep it in top running condition until you secure delivery of your new Chevrolet, by bringing it to us for skilled service now and at regular intervals. Remember—cold weather is hardest on *old cars.* Please see us for a complete check-up today. . . . And, again, *thank you!* CHEVROLET

NEW STREAMLINED
Refrigerator Car
FOR SANTA FE

WITH THESE IMPORTANT IMPROVEMENTS

Built of Stainless Steel

Sides of the car, including doors, are cold rolled stainless steel. Requires no paint, retains its luster and physical properties over long period of years. Many pounds lighter than cars now in use.

Maximum Insulation—Minimum Wall Thickness

Insulation is used in blanket and panel form in the sides, ends, roof and in the floor. This provides maximum insulation with minimum wall thickness.

More Uniform Temperature Control

A continuous duct system has been installed on each side of the door which can be cut in or out by means of louvers. Thus, ice-cooled air can be circulated to cool loads or heat seepage can be removed

Convertible, Lightweight Bunker

A new type, collapsible ice bunker is built into the car. Light in weight, it may be operated by one man. Outside-reading temperature indicators for top and bottom air conditions are placed on each side of the car.

Convenient Sliding Door

A unique sliding door with a six foot opening is placed in position for rolling on a track by means of a single bar handle. Provides more clearance, and is safer than swinging doors.

This new, streamlined refrigerator car was designed to fulfil requirements of shippers of perishables, for a car more efficient, lighter in weight and more easily loaded and unloaded than equipment now in use. ★ It is the forerunner of a fleet of new freight equipment designed to give Santa Fe patrons the utmost in service, speed and safety. ★ Your freight shipments, routed Santa Fe, are always in capable hands.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma,, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.
$1 if person selected has no sales slip.
$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

Mitchell Candidate for Court Post

Archie D. Mitchell of Ontario is a candidate for the office of judge of the superior court to succeed Judge F. A. Leonard, who will retire at the expiration of his present term.

Mr. Mitchell is city attorney for Ontario and has been a lawyer 35 years in San Bernardino county. He is chairman of the Ontario city planning commission, chairman of the national institute of municipal law officers and vice chairman of zoning and planning committee of the national institute.

He served in the navy in the first world war and is a past commander of Ontario post of the American Legion and past national vice commander of the United Veterans of the Republic.

The "west end" points out it actually pays the salary of one of the three county judges, supporting their campaign for the election of Archie D. Mitchel as judge of the Superior court.

It is their claim they are entitled to have this segment of the county represented on the Superior court and that one of the three judges should be elected from the west end.

The Chaffey district, including Fontana and Chino, last year paid $1,357,920.91 in taxes. The total tax bill for the entire county was $7,464,942.40..

Youths Need Help, Findlay

Probably never before in history has there been a time when a judge dealing with juveniles and juvenile problems, needed an understanding of the youth of the country than during the present post-war period," R. Bruce Findlay, candidate for superior court, stated.

The polish and veneer of civilization have not yet become so deeply ingrained into the spirit of our race that their acceptance becomes instinctive to the youth of the land.

"The recent war presented this civilization to the eager eyes of our youngsters with much of the polish and veneer torn aside. What they saw was savagery at its worst. To say that the effects of this spectacle upon plastic minds passed with the cessation of hostilities is an absurdity.

"The juvenile problem in this period is certain to present many new and disconcerting aspects, which will tax our courts, our legislatures and all law enforcement agencies to solve."

Since opening his office in San Bernardino county 25 years ago, Mr. Findlay has assisted more than 75 worthy boys to get work while attending colleges. "The letters received from the boys all over the world during the war were the finest reward anyone could hope for," he said. "As a hobby which pays off in untold pleasure I commend to anyone, man or woman, the idea of assisting young men and women to get started on any planned worthy career in life. It takes so little time and occasionally does so much good."

The county-wide committee for the election of Mr. Findlay as judge points out that his experiences with youth have shown him to be one with an unusual understanding of the boy and his ways.

For many years he has been an active member of the juvenile committee of the San Bernardino Kiwanis club of which he is a former president.

Mather To Discuss Propositions Here

Propositions appearing on the November 5 ballot will be discussed pro and con by W. W. Mather, chairman of the social science department at Chaffey college, next Wednesday night, October 30.

The Chaffey instructor will be heard in the Merton E. Hill auditorium under the auspices of the Adult Education department. The public is invited and there will be no charge.

CONVENTION

The district convention of Rotary clubs for the 108th district will be held in Coronada on May 4, 5 and 6.
